

FRAN'S STORY

Inspired by a life-changing trip to Paris, Fran Bigelow opened her first shop, Fran's Patisserie and Chocolate Specialties, in Seattle's Madison Valley in 1982. Cakes and pastries were the focus in the early days. As her reputation grew, so did the lines of customers. During the holidays when wait times were especially long, Fran treated her guests to freshly made chocolate truffles. An immediate success, these pure chocolate confections soon became the heart of Fran's business.

In the 41 years since, Fran has built a loyal following around her elegant mastery of chocolate. Recognized as a pioneer of the artisanal chocolate movement, Fran has been named *The best overall chocolatier in the United States* by The Book of Chocolate, and *Outstanding Fine Chocolatier – North America* by the Fine Chocolate Industry Association. Many of her products have won national awards for innovation and quality, and Fran has been inducted into the *Specialty Food Association Hall of Fame*.

Fran continues to find immense satisfaction in sharing the joy of pure chocolate with her customers. Confections are handmade at her production facility in Seattle's historic Georgetown neighborhood, where her team creates rich truffles, chocolate-covered fruits and nuts, and signature salted caramels from only the highest-quality ingredients. The love of chocolate has even become a family affair, with Fran's daughter Andrina now working alongside her as CEO, and her son Dylan as Director of Chocolate, carrying the tradition of excellence forward into a new generation.

ETHICAL SOURCING

Each ingredient is essential to the quality of our chocolates, and we are committed to the highest standards of ethical sourcing through lasting and transparent relationships with our suppliers. We are proud to have formalized these long-held values with our Organic and Fairtrade certifications, pledging our company to business practices that ensure financial equity and sustainable environmental benefits for our farmers and producers.

FRAN'S SALTED CARAMEL

A QUINTESSENTIAL SEATTLE GIFT

When Fran introduced her salted caramel in 1998, little did she know it would become her signature confection and inspire a popular culinary trend.

Taking inspiration from traditional French salted caramels, Fran paired them with the finest pure chocolate, creating a new and unexpected flavor profile with every bite. Twenty-five years later, our Gray and Smoked Salt Caramels enjoy critical acclaim as some of the top artisanal confections in the United States. An uncompromising passion for quality and presentation have made these caramels one of Seattle's quintessential gifts, delighting chocolate lovers the world over.

Gray and Smoked Salt Caramels

These award-winning confections begin with slow-cooked butter caramel featuring rich and complex flavors and a delightfully soft texture. Our Gray Salt Caramel is covered in dark chocolate and finished with sea salt harvested off the coast of Brittany, balancing the sweetness and extending the flavors on your palate. The Smoked Salt Caramel is covered in deep milk chocolate and finished with a subtle sea salt lightly smoked over Welsh oak. Certified Organic and Fairtrade.

JAPANESE COLLECTION

Careful craftsmanship and uncompromising attention to detail have been part of the Fran's story since the beginning. Today, our Japanese Collection celebrates these values, highlighting the elegance of traditional crafts refined over generations. We are proud to partner with extraordinary Japanese artists Yamada Heiando and Yasushi Yakoo to deliver this stunning collection of our finest offerings.

CHABAKO BOX

Our handcrafted Chabako Boxes are designed and produced exclusively for Fran's by Yasushi Yakoo, the leading expert in Japanese washi scroll and screen production.

These beautiful boxes are made from the lightweight wood of the Paulownia tree and finished with custom washi paper. Paulownia wood has been used for hundreds of years to protect precious scrolls, paintings, and prints. We find it well suited to protect and present our chocolates.
